Lounge

A choice of five smart-enabled, stylish meeting rooms and two event spaces, including a 160-seat auditorium.

All meeting rooms feature a large 75” 4K display, along with a powerful PTZ camera allowing for maximum user flexibility. This is complemented with discreet ceiling microphones ensuring the best audio experience for video conferencing. Everything you need to have a successful meeting.

Further lounge and quiet corners with spaces where you can work away from the office, giving you the most flexibility, perfect for hybrid working.

Level one hosts two flexible event spaces that can be reconfigured to suit your event and workshop needs – when combined seating up to 160.

State-of-the-art technology has been used throughout, with the highlight being a 3m wide ultra-fine LED wall, delivering a stunning visual experience. PTZ cameras are in both event spaces and ceiling microphones providing smooth experience no matter what the event may be.
